The main map displays the Jejane Private Nature Reserve, a large area of land with a complex network of roads and various geographical features. The reserve is bordered by several municipalities: YORK, VENICE, NHOVENI, NTHABA EAST, MOSSCO, NYALA, INKONKONI, BOSTON EAST, BOSTON, VIENNA, PARYS, TSHUKUDU, and PRIDELANDS. The map includes a grid system with letters M through X along the top and bottom, and numbers 19 through 25 along the left and right sides. Key features include the Olifants River, several dams (e.g., Snare Dam, Warthog Dam, Sunset Dam), and numerous roads (e.g., Pylon Drive North, Ridge Road, Hyena Drive). The map also shows various landmarks such as the Millie's corner, Jim's Pan, and the Green Water Tanks. A scale bar at the bottom indicates distances in Kilometres (0 to 5 km). A north arrow is located in the top right corner.

The inset map provides a broader geographical context, showing the location of the Jejane Private Nature Reserve within the Olifants River Catchment area. It highlights the reserve's position relative to surrounding municipalities and regions, including Limpopo, Mpumalanga, and the Olifants River East Conservancy. The map also shows the Olifants River and its various tributaries, as well as the location of the reserve's entrance gate. A scale bar at the bottom indicates distances in Kilometres (0 to 5 km). A north arrow is located in the top right corner.
